\*\*\*  Comment. The Soviet officer certainly referred to the 17th Gds Mecz Div, stationed in the northwestern portion of Hungary, with its division headquarters in Szombathely and the 2d Gds Mecz Div in central Hungary. To date, it has been believed that the units of this division were quartered in the area of Ceglod, Szolnok and Kecskemet. There have been no indications that components of the 2d Gds Mecz Div were stationed also west of the Danube River.
